Empathy Map

SAYS "I need to review every application fairly." "The approval process should be quick and accurate." "I want to reduce errors in credit card approvals."	THINKS "Can I trust this applicant to repay the credit?" "Manual verification takes too much time." "An intelligent system could help me make better decisions."
Bank Credit Officer	
DOES - Reviews applicants' financial and personal information. - Verifies documents and credit history. - Approves or rejects credit card applications based on eligibility criteria.	FEELS - Pressured when many applications are waiting for review. - Concerned about making incorrect approval decisions. - Satisfied when approvals are accurate, fair, and completed quickly.
