

Team Involvement in Demonstration

Date	15 March 2024
Team ID	XXXXXX
Project Name	Credit Card Approval Prediction Using Machine Learning
Maximum Marks	1 Mark

Team Involvement in Demonstration:

S.No	Team Member Name	Role in Demo	Section Presented	Contribution Summary	Participation
1	Patnam Lakshmi	Team Leader & Presenter	Project Introduction, Problem Statement, Objectives	Introduced the project, explained the motivation, objectives, and overall workflow, and coordinated the demonstration.	Active
2	Ameer Babu Kadapa	Data Analyst	Dataset, Data Preprocessing, Exploratory Data Analysis	Explained the dataset, data cleaning, feature engineering, and preprocessing techniques used before model training.	Active
3	Arsheen Khanam	Machine Learning Developer	Model Development & Evaluation	Presented the machine learning algorithms, model selection, training process, accuracy, confusion matrix, and classification report.	Active
4	Shahul Raj Shaik	Full-Stack Developer	Web Application & Prediction Module	Demonstrated the Flask application, dashboard, user interface, and live credit card approval prediction process.	Active

5	VenkataSai Meruva	Testing & Documentation Lead	Testing, Deployment, Documentation & Conclusion	Explained testing methodology, GitHub repository, deployment, project documentation, future enhancements, and concluded the presentation while answering questions.	Active
6	Whole Team	Q&A Session	Audience Interaction	Participated in answering questions, clarifying project functionality, and demonstrating teamwork during the discussion session.	Active

Team Coordination Notes:

Aspect	Details
Team Leader / Coordinator	Patnam Lakshmi (Team Leader)
Overall Team Coordination Rating (1–5)	5/5
Any issues during demo	No major issues were encountered during the demonstration.
How issues were resolved	The team followed the planned presentation sequence, communicated effectively, and coordinated smoothly throughout the demonstration, ensuring a successful project presentation.
